Kopalniško pohištvo je na voljo v štirih barnih izvedbah. Med seboj se obodi in vrata lahko poljubno kombinirajo-glede na materiale. Sestavite si lahko svoj izbor elementov iz priložene tipske karte, glede na vaš prostor in želje. K ogledalom in omaricam z ogledali pripada LED svetilka. Umivalniki so usklajeni s podumivalniškimi omaricami in so že v sklopu le teh.
